MINISTRIES

SUMMER 2026

Why Summer Teams?

"I came in a little skeptical because I don't love the idea of short-term missions, BUT, you guys are really solid and are focused on long-term relationships and community development." - Summer Volunteer

We want to share a giant **MUCHAS GRACIAS** with our summer volunteers and the churches, families, and friends who send them. Certainly, volunteers multiply the impact Isaiah 55 Ministries has on the communities we serve. They facilitate opportunities to continue bringing the light of Christ into darkness and to participate in the Great Commission with our neighbors and the deaf school community. Summer projects allow us to meet new people and share the Good News of Christ. But volunteers gain, too! This summer, a volunteer commented, "(Being here) has shown me that it does not require fancy things or skills to share the Gospel and love your neighbor." We hope that volunteers return home ready to serve and quick to share the gospel with their neighbors, too.
